Dear Sir or Madam:

Please be advised that M & J Logistics Inc.'s Application to Transact Bonded Carrier and Forwarding Operations has been approved. Your bonded highway carrier code is **2157**.

If a non-bonded highway carrier code was previously assigned to your company, the Canada Border Services Agency (CBSA) will automatically **cancel it** after 30 days of receiving your new bonded carrier code.

This bonded carrier code is unique to M & J Logistics Inc. and must appear on all cargo control documents.

The carrier code forms the prefix in your bar code. Barcode specifications may be found in Appendix D of Customs Memorandum, D3-1-1 at the following electronic link:

<http://www.cbsa-asfc.gc.ca/publications/dm-md/d3/d3-1-1-eng.pdf>

M & J Logistics Inc. must have bar coded labels printed to meet the above noted specifications **within 30 days** of issuance of this letter. After the 30 days, if the carrier does not use proper bar coded labels when reporting goods to the CBSA, M & J Logistics Inc. may be subject to an Administrative Monetary Penalty. Please ensure to bring a copy of this letter with you if you cross the border prior to the 30 day allowance and you are unable to present bar coded labels.

For your convenience, a list of acceptable printing companies may be found at the following electronic link:

<http://www.cbsa.gc.ca/services/carrier-transporteur/printing-impression-eng.html>
